

## FM/PK Deployed Panel Synopsis and Bios

### **SYNOPSIS:**

Serving at the Front: FM/PK Deployments Panel of recently deployed comptroller and contracting professionals share personal experiences from their service in various Areas of Responsibility. As the Global War on Terror continues, personnel are commonly tasked to perform new roles, such as helping new governments operate efficiently. You won't want to miss these first-hand accounts of current challenges and opportunities Airmen face in expeditionary environments.
