

Gulf Coast Chapter, ASMC the chapter for YOU!

The Gulf Coast Chapter of ASMC is an active part of the community of Northwest Florida. Along with community service, we participate in various fundraisers to offer scholarships to area high school and college students seeking degrees in comptroller-related subjects. Since 1996, our chapter has awarded over \$46,000 in scholarships! We also offer training opportunities through our monthly luncheons and an annual Professional Development Seminar.

Join ASMC!

Membership is available to individuals who are actively employed in military comptrollership, as active duty or civilian personnel for DoD or USCG. Associate membership is available for persons who do not meet the qualifications but are currently employed in a defense related financial management field. Employees of private sector companies who are interested in ASMC membership may join under the corporate membership program.

Why Join?

Enhance Your Professional Skills

ASMC activities provide you with the latest in current issues. Each year an ASMC chapter hosts the national Professional Development Institute (PDI) that provides professional development training. In addition, our local chapter hosts its own regional PDI annually as well as various luncheons throughout the year.

Networking

As an ASMC member, you build your professional network through participation in ASMC activities, whether they are social or professional. Our professional development luncheons and our participation in national conference calls are just a couple of excellent networking opportunities.

Leadership Opportunities

ASMC provides many opportunities for you to demonstrate leadership. Although ASMC is not officially part of your chain of command, your demonstrated leadership abilities will not go unnoticed.

Receive the *Armed Forces Comptroller* journal

The quarterly *Armed Forces Comptroller* is the Society's primary means of sharing professional information. Each issue contains articles relating to topics of interest to defense financial managers.

Community Service

Several volunteer events are held throughout the year. Some of the most popular are making a day trip to Habitat for Humanity to help build homes, Relay for Life (a cancer walk-a-thon), Shelter House (serving the survivors of domestic violence and their children), Brilliant Minds (to devise and implement behavioral treatments and educational resources of developmental disabilities), and Blankets of Hope (bringing hope to many of our wounded heroes). The committee aspires to involve as many members of the ASMC Gulf Coast Chapter in a community service experience as possible.
