

American Society of Military Comptrollers
Gulf Coast Chapter

P. O. Box 1756
Eglin AFB, Florida 32542

30 August, 2010

Dear Member,

Welcome to the Gulf Coast Chapter of the American Society of Military Comptrollers! You are now an integral part of a very dynamic team of financial management professionals dedicated to excellence in all we do.

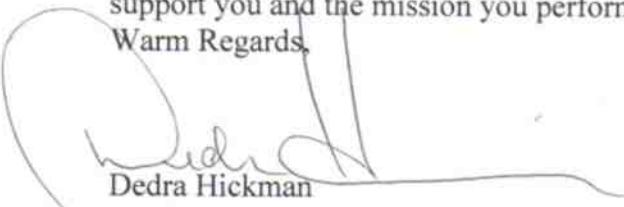

ASMC membership provides you many benefits. I encourage you to take full advantage of:

- Year-round professional development events, from Chapter monthly luncheons and annual Regional Professional Development Institutes to national training teleconferences and PDIs
- Frequent opportunities to network with hundreds of local Air Force and Defense Department financial managers
- Community service and outreach projects, from charity fund-raising to taking care of our deployed military members and their families
- Scholarship programs for students pursuing degrees related to financial management careers
- Awards programs that provide local and national recognition for team and individual excellence

During the 2010-2011 Chapter year, every member will be assigned to at least one committee listed in the Chapter constitution, which describes our structure and operations. If you know where you'd like to serve, contact the relevant lead or co-lead and have them sign you up. If you're not sure, one of them will "draft" you for their team. You'll decide whether you're on the field or on the sidelines!!

Take a few moments to visit our Chapter home page: www.gulfcoastasmc.org. Browse the monthly newsletters, read our constitution, and let me know how we can improve the web site. This is YOUR Chapter; I look forward to seeing you at local events and working with you to ensure we effectively support you and the mission you perform each day!

Warm Regards,

Dedra Hickman
President
Gulf Coast Chapter, ASMC
